**Quick Mount Kit for Bigsby® B5**

\* Mounting Hardware Included

**Installs in Minutes - No Drilling Required!**

Fits most tune-a-matic style guitars with standard stop tailpiece.

The Vibramate V5 Model Quick Mount Kit is designed for a Bigsby B5 Original Vibrato and will fit most traditional style guitars that have a tune-a-matic style bridge and a stop-tailpiece. The kit installs in minutes with the included hardware and eliminates the need for drilling permanent holes in your instrument. Be sure to follow the mounting instructions to prevent damage to your instrument. The Vibramate Quick Mount Kit includes both English and Metric threaded hardware.
